

EDLONG COW TO WOW™

Masking Taste Technologies

Solving Today's Toughest Taste Challenges

Better-for-you formulations can bring unwanted off-notes, including protein bitterness, earthy flavors, metallic aftertaste, astringency, and more.

Edlong's Cow to Wow™ Masking Taste Technologies

help neutralize these challenges while enhancing roundness, dairy authenticity, sweetness perception, and overall flavor balance, creating cleaner-label products.

Our platform is designed to help mask off-notes from

- Protein
- Caffeine
- Vitamins & minerals
- HIS
- Quinine
- Natural colors
